GIVES DATA ON IMPORTS, EXPORTS

EXPORTS FARM, CONSTRUCTION MACHINES -- Nachrichten fuer Aussenhandel, No 32,  
26 Apr 50

In 1950 the Federation of People-Owned Enterprises for Agricultural, Construction, and Wood-Processing Machines will export 35 percent of its agricultural machine output, 25 percent of its construction machine output, and about 75 percent of its wood-processing machine output.

At the Poznan Export Fair the Federation displayed a drilling machine, a three-bottom tractor plow, a foam sprayer with an attachment for dusting, a large concrete mixer with a capacity of 15 cubic meters per hour, and a new-type circular saw.

EXPORT ORDERS INCREASE -- Nachrichten fuer Aussenhandel, No 36, 13 May 50

The Lehmann Plant in Heidenau near Dresden, which belongs to the Federation of People-Owned Food and Beverage Enterprises, now has twice as many export orders as it had in 1949. Large deliveries are being made to the Netherlands, Poland, Belgium, France, India, Sweden, Finland, Denmark, Switzerland, and Czechoslovakia. Deliveries consist mainly of soap-drying chambers, chocolate-drying installations, and spare parts.

IMPORTS GRAIN FROM USSR -- Die Wirtschaft, No 19, 11 May 50

Since the beginning of this year, 125,000 tons of grain from the USSR have been unloaded in Rostock and Wismar. The grain, chiefly wheat, was immediately transhipped to the processing plants in the East German Laender and Berlin.

The new trade agreement between the German Democratic Republic and the Soviet Union provides for East German grain imports of 500,000 tons, including 220,000 tons of wheat.
